## Behavioral Guidelines

1. Nudism is not about sex. Any behavior that would not be appropriate in a public setting is not appropriate at a WN event. This includes conversations of a sexual nature. Keep it family friendly.
2. Please respect the personal space of all individuals. It is everyone's right to be free of unwanted attention. Any action that makes another person uncomfortable will not be tolerated.
3. Members are responsible for the behavior of their guests. Parents are responsible for the behavior of their children.
4. Always sit on a towel when nude.
5. Generally photography is not allowed at any event, except by club photographers. **Under no circumstances** should you ever take a picture of someone at a WN event without their consent.
6. Unless an event is a "clothed" event, clothing is always optional at our events. Nudity is never required. It is inappropriate to comment on anyone's choice of being dressed or not.

I have read the guidelines as printed above and agree to abide by them. I understand that any violation will result in immediate ejection from the event and I will not be permitted to attend a future event. In the event of any losses sustained by me or my guests at any WN event, I agree to hold harmless and wholly non-liaible the organization, the officers thereof, and the facility. I agree to submit to a criminal background check.

I understand this is a clothing optional event and I affirm that I am not offended by nudity.
